Dr. Pai is IAGE President

Vashi: Renowned gynaecologist Dr Hrishikesh Pai has been elected as the president of the prestigious The Indian Association of Gynaecological Endoscopists. Dr Pai also practices at DY Patil Hospital. This is just one more feather in the cap of Pai who besides being the vice-president of the Mumbai Obstetrics & Gynaecological Society, is also the Secretary General of Indian Association of Assisted Reproduction, an organisation which is made up of gynaecologists who use the Assisted Reproductive Technologies such as IVF & ICSI for achieving conception in infertile couples. His main aim as the new president of the Endoscopic Association is to reach advanced endoscopic surgery to the masses. He has requested all the members of the association to do one major surgery and two Laparoscopic sterilisations free of cost for the economically disadvantaged class of society every month.
